PROFESSIONAL EXPERIENCE

Pawblefy / Marblefy (Client)
Order Processor
12/2024 – 08/2026 | Remote

- Processed 200+ orders daily through Amazon Seller Central and monitored order status through fulfillment.
- Tracked shipments, handled order updates, and maintained accurate records using Google Sheets and Microsoft Excel.
- Coordinated with team members to resolve order issues and support timely order fulfillment.

Bub-Ztrack (Part-Time Client)
Lead Generation & Data Research Specialist
09/2024 – 12/2025 | Remote

- Researched target companies and prospects using manual research and online data sourcing tools.
- Collected and verified company names, LinkedIn profiles, contact details, addresses, phone numbers, and social media accounts.
- Used LinkedIn Sales Navigator, Apollo, RocketReach, and Octoparse to source and enrich prospect data.
- Maintained organized lead databases in Google Sheets and Excel and performed data quality checks to support outreach campaigns.

Virtual Pal (Agency)
Lead Generation & Data Research Specialist
02/2023 – 09/2024 | Remote

- Researched mortgage companies and identified employee details, including names, job titles, email addresses, phone numbers, and LinkedIn profiles.
- Built and verified targeted lead lists through manual research and data scraping, then enriched and maintained prospect databases.
- Used research tools and spreadsheets to keep prospect information organized, accurate, and up to date.
